

Changes to the Prescribing of Medicines in Dudley Survey Results

Following a public consultation Dudley CCG has made some changes to the prescribing of medicines that can be bought over the counter for common, short term illnesses or those that have no or low clinical value.

Medicines or products with no or low clinical value are those which have no clear health benefit for patients

The consultation ran from Wednesday 1st February 2017 to 26th April 2017. This infographic shows the results generated from a survey shared with local residents during the consultation.

We received 332 public responses to the consultation survey, summary of results are as follows:
